

Drive “A” - 11:15AM to 12:30PM

The first portion of the drive will take us through some of the most beautiful rolling hills and Americana that only Pennsylvania has to offer. This is the longest segment of the day so we've selected a fantastic “themed” restaurant for lunch so get ready to get your Sauerkraut face on! Parking is in the rear of the restaurant. Overflow parking is on the street.

The next portion of the drive is rather short, just a 20 minute romp down the road to Gettysburg. The park roads are free but there is a charge to visit the museum and the movie. Gettysburg is probably the single most defining moment in the history of a young United States. This should be an exciting visit. We will park and stage in the large parking lot by the welcome center. We have 3.5 hours scheduled for the park so please feel free to branch off and explore at your own pace. There will be a group auto tour. If you plan to attend the next segment (drive to the Mechanicsburg covered bridge) then please stage in the parking lot at 5:45PM. If you would like to head into the town and do some souvenir hunting... you're free to head back at your leisure.
