|-----------|-------------------------|
| 0221 | Baja sidebars low |

Fortificationclips Dzus and Abarth rubber hood latches

The fortification clips are used to fasten the body part plates on a race car or on a popular "Race Look" car. Sold by the package.

- | <i>Nr</i> | <i>Type/description</i> |
|-----------|-----------------------------------|
| 8100 | DZUS clips, 10 pieces |
| 8105 | DZUS "Spring" retainer, 10 pieces |
| 8110 | DZUS tab with spring, 10 pieces |

Flip front

Ideal for replacement of a damaged or rusted front. Mounting the fibreglass flip front, the 2 wings and the front deck are in one piece, all problems are solved. Super fast Beetles (Dragster) get extra performance with this lightweight construction. The Beetle flip front type concurs with a '67 1200, the USA type but with upright headlights and a long front lid.

- | <i>Nr</i> | <i>Type/description</i> |
|-----------|-------------------------|
| 0155 | Flip front beetle |

The Abarth rubber hood latches can be used for mounting or closing the motor key of a Buggy or another 'Custom'. Excellent mounting on a Baja.
